EVENT: Motocross

Honesty, professionalism and dedication.

I am 21 years old; I am a motocross rider and have been riding for the last 16 years. I started riding in South Africa in 1992 when my Dad bought me a motocross bike for my fifth birthday. By 1996 I had won my first championship on a PW80. Since then I have won 4 South African National titles and a number of regional titles. Since 2003 I have been part of the biggest motocross team, Team Red Yamaha. I competed in the 2006 Sun City GP and finished 16<sup>th</sup> in the MX1 class. In 2006 I spent a month in the UK and was fortunate to compete in the Ken Hall Trophy race in the MX1 class. I finished 9<sup>th</sup> overall. In 2008 I was invited to come over and race in the Canadian Championship.

- I am currently one of the most exciting new riders to come out of South Africa and can be very flexible to your needs as a sponsor.
- In recent times South Africa has been delivering world class riders, I am part of the next generation of these up and coming riders.
- I am going to be competing in the Canadian Championships for Orange Motorsports KTM in 2009 and have the focus and determination to achieve great results.
- I always make sure I am well presented and will act as a role model for younger upcoming riders.
- I present myself in a very professional manner, frequently answering people's questions, I have a great sense of humour and get on well with my peers and am approachable at all times. I can offer a dimension of

enthusiasm to a team offering support and advice to others while achieving my own goals. I perform well under pressure and can give valuable input in the development and testing of products and bike set up.

Liam O'Farrell Schools will focus on skills, body position, ruts, jumps, corners, starts, berms, bike set up and much much more.

Liam O'Farrell will be offering his schools at Burnt River Off-Road Vehicle Facility. He will have Day's schools for big bikes and little bikes throughout 2009,

3 Day Schools in the summer months July and August (Tuesday, Wednesday and Thursday) for little bikes only 50cc-85cc.
